Subject: Questions for Downtown Reach Meeting

Hi Tom,

Attached are our questions for the meeting on the 29th. They center around three general subject areas. Hopefully these areas work well for developing the agenda for the meeting. If you have any questions, feel free to contact Rich or me.

I'm having a team meeting with Rich and Kristine on Monday at 2:00 pm to go over our portion of the downtown reach CSM discussion. If any additional questions come up based on that meeting, we'll get them to you immediately afterwards.

Thanks,

Deb
